Upload File	This number(64) is outside the expected range of between 71 and 145 based on the prior year value. Please correct your data or explain. (Error #1387)		Explanation	Yes
Reason	In the face of the difficult financial situation brought on by the pandemic and the associated revenue loss in 2020, University Extension (public service) employed several temporary and permanent cost reductions. For off campus faculty/academic positions, they reduced the appointment to part-time. The change did allow faculty to increase their status back up to full-time by securing external funds to support the costs in 2021.
