

# IPEDS 2024-25 Data Collection System

Institution: University of Missouri-St Louis (178420)

User ID: 29C0011

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight undergraduate subcohorts

Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- All institutions must report on a **FULL-YEAR** cohort. The OM cohort year is 2016-17. The full-year cohort coverage period is July 1, 2016 - June 30, 2017.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during the cohort coverage period of July 1, 2016 - June 30, 2017, and place each student in the appropriate subcohort. Each student should be reported only once.
- All institutions are required to report transfer-out student data.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, Associate's degree, and Bachelor's degree.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry)
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that estimate the time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offices), complete and review the component, and submit the data.

Changes to reporting:

The following changes were implemented for the 2024-25 data collection period:

- Revised FAQ about "non-first-time" degree/certificate-seeking undergraduate students.
- Added a new FAQ to better clarify the relationship between "transfer-in" enrollment status on the Fall Enrollment (EF) and 12-month Enrollment (E12) components and the "non-first-time" cohort on the Outcome Measures (OM) component.
- Added a new example to FAQ about students who change from non-degree/non-certificate-seeking to degree/certificate-seeking at the IPEDS reporting institution.
- Added additional information to FAQ about resources for tracking subsequent enrollment.
- Revised definition for "Non-first-time student (undergraduate)" Glossary term to improve clarity.

Important Dates to Remember:

All reporting institutions will report on degree/certificate-seeking undergraduates who entered the 2016-17 cohort year: (July 1, 2016-June 30, 2017).

- Four-year status point was as of August 31, 2020
- Six-year status point was as of August 31, 2022
- Eight-year status point was as of August 31, 2024

Reporting Tips

Carefully read each [OM FAQ](#) before reporting your institution's data.

Summary

Outcome Measures Component Summary

The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the [College Navigator](#) website and/or your institution's Data Feedback Report (DFR). In addition, all data reported in IPEDS survey components become publicly available through the [IPEDS Use the Data](#) and appear as aggregated statistics in various Department of Education reports. [College Navigator](#) is updated approximately three months after the data collection period closes and DFRs will be available through the [IPEDS Use the Data](#) and sent to your institution's CEO at the end of 2025.

Please review your data for accuracy. If you have questions about the data displayed below or after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [oripedshelp@rti.org](mailto:oripedshelp@rti.org).
