Summary Data by Student Category and Financial Aid Type

Instructions:
- The SFA Comparison Chart provides a summary of the data reported in Section 1 of the survey. Summary data is based on the preloaded data and information reported on the previous screens in this section for all undergraduate students and full-time, first-time degree/certificate-seeking undergraduate students.
  - Values displayed for All undergraduate students, All degree/certificate seeking undergraduate students, and All non-degree/certificate seeking undergraduate students should match the values reported in Section 1, Part B;
  - Values displayed for Full-time, First-time degree/certificate seeking undergraduate students should match the values reported in Section 1, Part C; and
  - NCES calculated values for the student count and total amount of aid awarded for All other degree/certificate seeking undergraduate students should be the difference between the values reported for All undergraduate students and Full-time, first-time degree/certificate seeking undergraduate students.
- If values displayed do not match your institution's calculations, please correct the numbers reported before moving forward to complete Section 2 of the SFA Survey.
- Data for all degree/certificate seeking undergraduate students and full-time, first-time degree/certificate undergraduate students are published on College Navigator.

Note:
- Data for the 'all other degree/certificate undergraduate' students and all non-degree/certificate undergraduate students will appear in the IPEDS Data Center for data users, but not in College Navigator.
